Carmichaels Area High School
300 West Greene Street
Carmichaels, PA 15320

Taking a journey into the beginning and

The Carmichaels Area Junior-Senior High School is located in Carmichaels, Pennsylvania in Greene County. There are 575 students currently enrolled in the Junior-Senior High School with grades ranging from 7 to 12. It is here that all of their high school memories will begin, and that all of their moments with their friends they shall share. It is also where all of their memories, good times, and hanging out with their friends will eventually come to an end.

Above is this year's football team celebrating a victory after they defeated Serra Catholic 28-7.

To the right is Senior Jeremy Donai trying to get open, while Senior Todd Nopwasky controls the ball.

Above is a group of underclassmen taking time out from eating to pose for a picture, do they look enthused to be in school or what?

Above are Seniors Betty Lou Barton and Joe Mork striking a pose o Camouflage Day during Spirit Week and in the back is Senior Kris Czyzewski being caught off guard.

the end of the Carmichaels' students 7-12.

Memories come in more ways than one, from being together for many years, to only knowing one another for a few months. In our school, students have learned this lesson well. Whether it's the seventh graders walking through the doors for their first time, or the seniors walking out of the school for their last, these are memories they'll never forget. No matter what grade you're in, you know that every year new memories are made and old ones slowly fade.

Left is Fabian Chun taking part in Jump Rope For Heart. All proceeds are donated to the American Heart Association.

Above is a group of Freshman girls that stopped getting their groove on to pose for a picture.

Senior Percy Carr prepares to "rip" through a defender and Sophomore Rick Hathaway awaits an oncoming foe, as the Mikes punt m holds off the opposition in hopes of putting them deep into ir own territory.

Seniors Jerry McCombs and Jeremy Donai attempt to make it look like they are busy in the library, but we all know that it's just a hoax.

All that and more!

The Carmichaels Area School follows an academic and vo-tech schedule. The curriculum is set so that those who plan to go on to further schooling can do so from what they have obtained in high school.

The Carmichaels Area School District holds an opportunitive event for their students. In late October, the school sponsors a career night and invites colleges, universities, and further schooling, and education to our school. The school also has many speakers come in to English classes to talk to the students about the opportunities out there awaiting them.

There are many students that go on to college, some that go to technical schools, others who get placed at a job because of their training at vo-tech, and others that join the military. No matter what they choose, they all have been well prepared.

On top above is John Helmick rounding third and looking to head home for the score for the Carmichaels Baseball team. Directly above is the Jr. High Girls Basketball team warming up for the game.

Above is Heather Baker dribbling past the defenders and trying to get a fast break to score a quick two points.

On top of the page is a group of Junior High boys at a dance that are taking time out of all the fun for a picture.

To the left are Senior Band members (l to r) Jodie Giocondi, Michelle Ricciuti, Angie Everly, Amy Jo Metz, Brandy Mazur, Amanda Hardy, and Tabitha Walters all grouping together at their last football game.

Above is the "King" of the school Mr. Sherlock. He is head principal of the Carmichaels Jr.-Sr. High Schools.

Above and to the right is Sabrina Scott and Crystal Kalist getting busy on the "desktop".

Top is Todd Nopwasky shooting a three while Fabian Chun and Jeremiah Metcalf await the outcome. Middle above is Shawn McMinn controlling the ball and pursuing the hoop.

Life's A Beach

On June 1, Carmichaels Area High School class of 1997 set out for their Senior trip to Myrtle Beach. Everyone had a lot of fun on the beach. While on the trip the Seniors attended a show and dinner at Medieval Times. They also went to the Hard Rock Cafe. Some people went out to the dance clubs at night and others just hung out in all of the action at the Boardwalk. A lot of memorable things happened at the beach. When it was time for everyone to pack their things up and catch the bus home the mood changed. Everyone knew that it was time to return back to reality and go home to graduate.

To the right is all of the girls posing out side of the Medieval Times. Below is Bill just acting like himself.

To the right Jodie is lounging on the bench outside of the motel.

Above is all of the guys getting ready to catch some waves.

The End To A New Beginning

On June 6, 1997 ninety seniors finally walked across the stage to receive their diplomas. The guest speaker for the ceremony was Mr. William Groves. His advice to the graduates was to develop a safe and diligent work ethic, make decisions with integrity, be prompt, and be adaptable to changing situations.
All of our high school years have held special memories. Some of those times we laughed other times we cried. Even though sometimes we didn't want to be here, we suffered through it. Now we are at the point in our lives that we are ready to go our separate ways. We will take with us the unforgettable memories that will forever stay in our heart.

HOMECOMING 1996

This year's Homecoming queen was Angie Everly. The Mikes captions honored Angie with gifts from the team. Jerry McCombs crowned her. Randy Hamilton and Fabian Chun presented her with roses and a football signed by the entire team. Last, Gary Giles kissed the queen on the cheek.

This year our Mighty Mikes played the Monesson Greyhounds on Friday October 11, 1996. Monesson came out victorious in the hard fought battle. The final score of the game was 20-6.

Following the game a dance was held in the gym. The theme this year was "Unchained Melody" by the Righteous Brothers. This year's Homecoming was a night that will be fondly remembered by all.

This year's Cinderella Ball was held on November 23, 1996 at the Senior Citizens Center. The Cinderella Ball was a successful evening for most couples. The DJ for this wonderful evening was Mark Batis. The theme for this years Cinderella Ball was "I Love You" by Celine Dion. The junior standing committee transformed the hall into a romantic hideaway. Fifty-three couples and three singles attended the event. To the right is the 96-97 Cinderella and her court. This year's Spring Fling was held at the Carmichaels Senior Citizen's Hall. It was held on April 5, 1997. 39 couples and 12 singles attended. The King and Queen of the night were Jerry Davis and Dana Ball. To the right Katee Barnhart is dancing in her own little world.

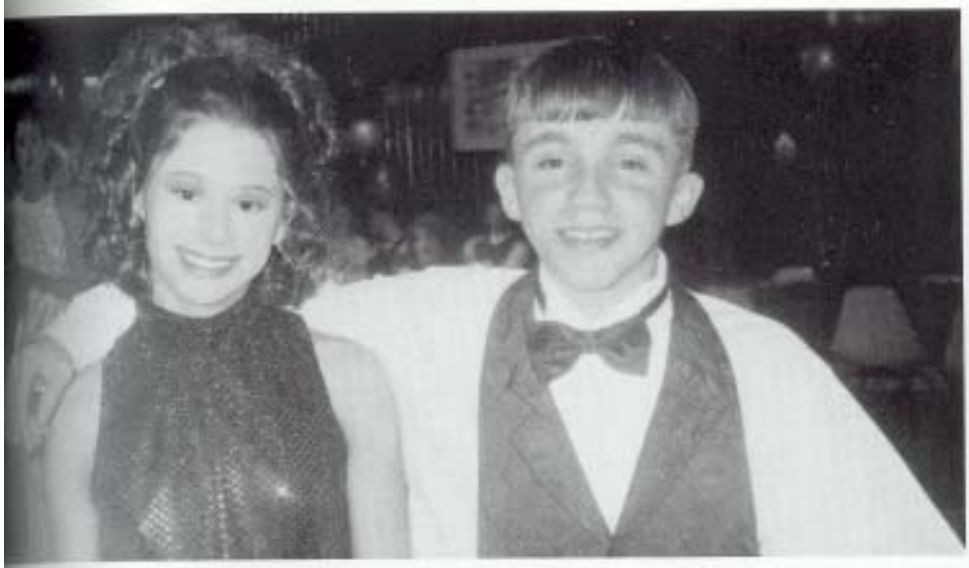
Spring Fling '97

This year's Spring Fling was held earlier than it usually is. There weren't as many couples this year as have attended in the past years. After the King and Queen were crowned they danced to the theme song "Open Arms". It was a very beautiful evening as it usually is and everyone had a good time. The DJ this year again was Terri Batis. Everyone enjoys his system and he is very good at what he does. He makes the night go very well because he relates with the crowd. Everybody was doing new dances this season and still old ones from last year. To the right are some of the freshman guys that attended. Row 1: Micah Kurnicak, Nick Celli, Jason Beal. Row 2: Shawn McMinn, Troy Piper, Rocky Doman.



To the left: Jason Beal and Kim Whipkey taking a break from all the fun. To the right: Justin Beal dancing his clothes off.

To the left: Tiffany Burless is showing us she is having a great time.

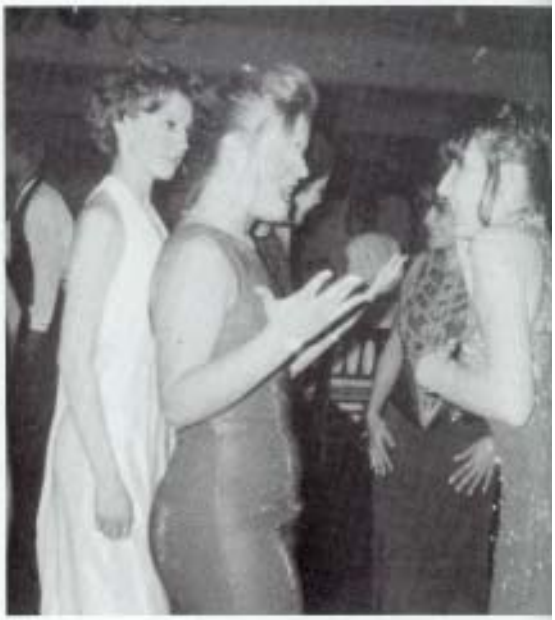
To the top: Zoe Schlesinger, DeeDee Watson and Stacy Chambers are dancing to the hit "Stayin Alive".

The 1997 prom king and queen this year were Paul Journic and Donna Decker. The members chosen for the court were Craig McKenzie and Charity Fox, Bob Teagarden and Christine Konosky.

Below: The chaperones take a moment from their "exciting" evening to pose with their spouses for a picture.

Right: Jamie and Trisha will remember this night forever.

Above: Jono, Jerry, and Jeremy "trying" to look innocent!!



Right: Nicole looks like she has some "juicy" gossip to share with Betty Lou.

An Evening on the Mountain . . .

An event that is anticipated by many, the Junior-Senior Prom. It took a lot of hard work and preparation from the Sr. Standing Committee and Mr. O'Hara to make this year's prom a very memorable one. It was held on April 25th, 1997 at the Mount Summit Inn. This year's theme was "Enchanted Evening" and the song was "Lately" by Jodeci. All of the couples that attended looked great and they seemed to have a wonderful and memorable evening.

Top left: Kelly and Charles smile big for the camera! Left: Brody and Amanda look like they are enjoying themselves. Below: Cathy and Percy never want the night to end.

Memories
The soft music, and lights low
Our last dance with friends we know
The merry voices and spirits light
Overflow the sorrow with fun tonight.

May God help you keep the courage of the quest
And hope the road's last turn
will be the best.
And when the night has ended
Only a memory will last
Of the glorious evening past.

Courage & Pride!!!!!

Pride says it all for this team. This year's Carmichaels Mighty Mikes had high expectations for a post-season berth in the playoffs. They began the year strong, and continued to pursue their hopes of making the playoffs. The prospect of participating took a bleak turn due to injuries, sidelining many key players. Neither their record, nor their scores reflect this team's effort and hard work during practices anticipating their goal. Although the injuries were high, the Mikes played on with intensity and wound up at a .500 season, the best since 1992.

Spiking With the Best!

This year marked the third season for the Mikes volleyball team. The girls on the team have shown the maturity and skill of teams that have been playing since their elementary years. They've been praised by officials, opposing coaches, and players. Carrying a winning attitude and working hard for the past three years has finally paid off.

Tough practices after school, away games when they sometimes didn't arrive home until 11:00, and expectations of good grades and a winning record were a lot of pressure. It was also incentive, they knew and proved they could handle it all. With a 14-8 record, they placed fourth in their section.

Fore Score & 7 Swings Ago . . .

This year's team consisted of three returning lettermen. Greg Hershberger, Kitzie Worch, and Bill Whipkey (All Section). The starting players were Greg Hershberger, Kitzie Worch, Bill Whipkey and freshman Bryan Largent. The team's record this year was 2-12.

"With the loss of four seniors and with only three underclassmen returning, our team needed to be rebuilt. As the matches came and gone, we kept on dropping matches by ten or less strokes. Finally, everyone worked as a team and we won two matches. Next year there will be a similar situation. With four seniors leaving and four players remaining, the team will have to be rebuilt again.

Through the years, Coach McCombs never let us settle for a loss. He worked with us so that we could make ourselves better at the game. Thanks for a great year , T.!!! Good Luck to the team of '97!" . . . by Sr. player Greg Hershberger.

The school thanks them for all of their school spirit!!!!!

C.A.H.S. Jamming Jocks!

The basketball team this year had a rebuilding season. With the loss of five seniors and an impressive record to live up to, the boys faced a challenge. They took that challenge and proved they could handle it. By gaining a 6'2" center, Jeremy Donai, and having two seniors and two sophomores step up, they accomplished more than many thought they could. That winning spirit started to show when the team beat California. From then on, determination along with hard work helped them show they could still win. Not only did they place second in the Christmas Tournament they had a 10-10 record. The game played on senior night was a successful one. Mr. Williams coached his 250th win and Jeremy Donai scored over 1,000. Pictured left seniors, Jono Watson, Todd Nopwasky, Jeremy Donai and Matt Bargerstock.

Mikes Basketball

Pictured to the right: Heather Baker shows off her acrobatic moves as she shoots over a West Greene player.

This year's Lady Mikes Basketball Team had a rebuilding year with only one senior on the roster. They had only seven wins however, they suffered sixteen losses. During many of the games not all players would get to play but they supported their team by cheering from the bench. Their spirit never died and it showed when they honored Amy Jo Metz on Senior night. As they presented her with balloons, a cake, pictures, and flowers. Even though they suffered the loss of Amy's last game everyone was very teary eyed and sad to see her go.

Pictured to the left: Stacey Chambers and Jenny Barton guard their "man" while their opponent picked up her dribble. Pictured below: Amy Metz, this year's only senior.

The Carmichaels Lady Mikes did it again, and are still adding to it. This season they went 18-1 overall, with their only loss coming to Connellsville 2-1. Other than that nailbiter, the Lady Mikes totally dominated. They clinched a playoff spot by defeating everyone in their section. During the regular season, they only played one seven inning game. That just goes to show how much effort they put into their season to make them dominant.

Do It Once Again!

Above left is Zuspan waiting for her pitch. Above is Koratich awaiting the ball from Gasti for the final out of the playoff game against Charleroi. Left is Baker hurling the ball to Watson after an attempted bunt.

The Lady Mikes opened up the playoffs with their first game at home. They challenged Charleroi as their first victim, and won the game 4-2. They then continued on with intensity in hopes of achieving their goal, the WPIAL championship. In the second round of the playoffs, the Lady Mikes won over Beth-Center at California University in a 10-0 five inning game. Once again, they were one step closer to their dream. They defeated Sto-Rox 2-1 in the third round. In the championship game, they defeated Burgettstown 8-6 to clinch the WPIAL title. They have advanced to the PIAA tournament and have yet another dream, the PIAA title. Only time will tell for this group of fine athletes.

Baseball '97

This year was a rebuilding process for the baseball team. With the loss of 6 starters from the year before, Coach McCombs and Assistant Coach Jones really needed everyone on the team to step up and do their part. Three seniors; Jerry McCombs, Todd Nopwasky, and Donny Baker, took the role as the leaders of the team. Other returning lettermen included John Helmick, Keith Nopwasky, Mike Celli and Scott Krajnak. The remaining starters consisted of Jonathan Penich, Franco Karlowicz, Ryan Giles, and Jeff Russo. Thanks to the support of everyone, the baseball team had a successful season.

Shooting Hoops in '97!

This season, the members of the seventh, eigth, and ninth grade boys basketball teams showed some great prospects for the Carmichaels future. In a few years, the members of these teams will be our varsity players. By showing a winning attitude now, the players are proving they have an ambition to win for C.A.H.S and beyond. Remember: Once A Mike Always A Mike!
